INTRODUCTION

This handbook contains the policies, practices, and regulations of Saint Mary's Catholic High School. Following the policies and procedures is an integral part of the school's smooth and successful operation. It is important that parents, guardians, and students read and understand the contents of this handbook. School personnel should be notified if there are questions regarding the school practices contained in it.

In addition to this handbook, students, parents, and guardians should understand that Saint Mary's staff, students, and parents and guardians are governed by the diocesan *Handbook of Policies and Regulations for Catholic Schools* and A.R.S. (Arizona Revised Statutes) related to the operation of the school.

Knights are expected to conduct themselves on and off campus, always and under all circumstances, in conformity with the norms of this handbook, diocesan policies, and A.R.S. (Arizona Revised Statutes) related to the operation of Saint Mary's Catholic High School. If a student chooses to act in a manner contrary to these policies, the student and his or her parents or guardians must be prepared to accept all consequences up to and including withdrawal from school. Parents or guardians who display and maintain a lack of support for the school's mission or personnel may be asked to withdraw their students from the school.

The president-rector and principal of Saint Mary's Catholic High School reserves the right to modify, delete, change, amend or alter any of the provisions contained in this handbook at any point in time. Changes and additions will be provided to all parents and students. The president-rector and principal have the right to amend the handbook or waive a disciplinary regulation at his/her discretion. *The handbook on the website is the most current version.*

MISSION STATEMENT

The mission of Saint Mary's Catholic High School is to provide a liberal arts education that forms virtuous young men and women who know the Truth and love the Good.

PHILOSOPHY

Saint Mary's Catholic High School is a Roman Catholic, diocesan, co-educational, college preparatory institution serving metropolitan Phoenix. It is a centrally located school whose primary focus is dedicated to the spiritual, academic, social and personal formation of each student, centered on the Gospel. A Saint Mary's education does more than merely prepare students for college and career; it invites them into a relationship with the living God who is Truth, Goodness, and Beauty. It does this by means of an active sacramental and prayer life on campus, a rigorous liberal arts curriculum, co-curricular activities that foster virtue and servant leadership, and most significantly, by the exemplary Christian witness of its faculty and staff. Saint Mary's curriculum imparts a distinctively Catholic worldview in all subjects and treats the world as a mysterious—yet orderly—beautiful, knowable place.

Through the study of our culture's great achievements and discoveries in mathematics, science, fine arts, and humanities, Saint Mary's invites students to raise their hearts and minds in wonder to God as He is revealed in nature and in Sacred Scripture and Church teachings. By all these means, Saint Mary's works to achieve the mission imparted to Catholic schools by Pius XI in his encyclical, *Divini Illius Magistri*, to prepare the child for "what he must be and for what he must do here on earth, in order to gain the sublime end for which he was created."

INTEGRAL STUDENT OUTCOMES (ISOs)

Graduates of Saint Mary's Catholic High School will be...

- Well-formed disciples of Jesus Christ who continually grow in their faith and courageously live it out.
- Articulate defenders of Truth who can express themselves with thoroughness and charm.
- Confident leaders capable of correctly and fundamentally understanding problems and prudently and justly resolving them.
- Dutiful and generous contributors to the common good.
- Responsible men and women who demonstrate self-mastery in conformity with teachings of the Church.

SIX VIRTUES OF A KNIGHT

The six virtues of a Knight are reverence, studiousness, obedience, respect, courtesy, and loyalty. These virtues should mark student conduct in the classrooms, on the school grounds, in the athletic arena, at co-curricular school functions, as well as at home and in the community.

Reverence: *Profound respect, awe, and love directed toward God.* Knights demonstrate reverence by full, conscious, and active participation at Mass; a serious attitude toward daily prayer; and an authentic openness to encountering Jesus in the daily life of the school.

Studiousness: *A disposition to diligence and the pursuit of knowledge* (Catholic Encyclopedia). Knights demonstrate studiousness by actively seeking in their studies the true, the good, and the beautiful; consistently giving full effort to their schoolwork; and developing an understanding that this pursuit is a matter of moral obligation.

Obedience: *The assent to rightful authority without hesitation or resistance* (Education in Virtue). Knights demonstrate obedience by being open to formation; recognizing that rules are made for their good; and accepting consequences with docility.

Respect: *The recognition of the dignity of all human persons.* Knights demonstrate respect by speaking charitably to and about others; being a good steward of the campus; and treating their peers and property with justice.

Courtesy: *A polite, well-mannered demeanor in interactions with others.* Knights demonstrate courtesy by controlling their passions; putting the needs of others ahead of their own; and developing a spirit of service.

Loyalty: *Steadfastness and fidelity to God, family, country, and school.* Knights demonstrate loyalty by upholding the teachings of the Church, honoring the sacrifices made on their behalf; and acting in the best interest of the school. "Once a Knight, Always a Knight!"

SCHOOL EXPECTATIONS

Parental Support

While recognizing parents as the primary educators of their children, Saint Mary's needs, expects, and requires honest and consistent cooperation to implement the spirit as well as the letter of the Student-Parent Handbook's guidelines and rules. The Diocesan Code of Discipline directs that "Parents or legal guardians are expected to support teachers and administrators and to recognize that disciplinary action entails the exercise of judgment, often under pressing circumstances." (Diocesan Handbook 3-1.4.17 D.4) Serious consideration is given to every disciplinary action taken. Parental failure to cooperate and comply with Saint Mary's disciplinary policy, practice, directives of an administrator and determined consequences, in the opinion of the principal, may result in the student being required to withdraw from the school. When the school deems that a parent's actions, attitudes, or behavior conflict with the school's mission, policies, or any specific directive of the administration, that parent's student's continued enrollment will be reviewed.

Pursuant to ARS 15-507, Saint Mary's Catholic High School does not tolerate abusive, coarse, rude or foul language by parents/guardians or students toward the school, its faculty and/or staff, or athletic personnel, including coaches, referees and officials associated with the school, both on or off campus, and/or at extracurricular or athletic events.

A student may be required to withdraw from Saint Mary's if the school administration deems that a parent's/guardian's actions, attitudes, or behavior conflict with the school's mission, policies, or any specific directive of the administration.

Communication Procedures

It is extremely important that families communicate with the school when contact information, addresses, phone numbers, email addresses, etc. have changed. Please email the Registrar: registrar@smknights.org to provide updated information.

Saint Mary's expects parents/guardians and students to know and abide by the policies and regulations explained in this Student-Parent Handbook, but the administration understands that there may be questions about specifics in the handbook. It is good policy to voice your concerns about any aspect of school life to the person immediately involved in a situation, be it teacher, coach, moderator, or administrator.

For example, if you have a concern about a particular class, teacher, or coach, it is expected to first consult with the teacher or coach. If the matter is not resolved, it is then appropriate to call the department chair and/or student's counselor. If it is still unresolved, then you should contact the Assistant Principal for Curriculum and Instruction, Dean of Students, or the Athletic Director. Only after following this process is it appropriate to communicate with the Principal. The school may request a meeting with the appropriate parties to resolve the conflict. Student presence at this meeting is at the school's discretion.

As education is a collaboration between parents and the school, you should always expect to receive a courteous hearing of your concerns. However, continued major complaints, continued failure to abide by school policies or rules by either parents/guardians or students, or continued lack of cooperation with the administration and staff may indicate serious philosophical disagreement between the school and the parents/guardians or student. In such a case, withdrawal of the student from the school may be necessary.

ACADEMICS

Teacher-Student Period

The teacher-student period occurs each school day 7:30–7:55 a.m. This time is usually a voluntary opportunity for students to get assistance from their teachers; however, a teacher may require a student to attend one or more teacher-student periods or to come for help after school if a student is not making adequate progress in class or habitually fails to turn in homework. Under these circumstances, the teacher-student period or after-school appointment would be **mandatory** and would take precedence over any athletic or co-curricular activity, just as an after-school detention would. Failure to attend a mandatory Teacher-Student Period will result in consequences from the teacher or administration, including, but not limited to, after-school detention.

Students should make prior arrangements with the teacher if they plan to make up tests or quizzes during this time.

Grades

Grades are assigned in each class to indicate briefly mastery of content matter, student progress, and the character of a student's work. Grades are not the goal of learning, but rather the goal is the comprehensive academic formation of the student. Two students with the same letter grade might approach the subject very differently. Therefore, parents and teachers should find opportunities to discuss the student's performance. To this end, teachers will periodically offer comments on grade reports to aid parents in knowing and advising their child as a learner.

Parent-Teacher Conferences

To facilitate dialogue between parents and faculty, Saint Mary's administration and faculty will host two Parent-Teacher Nights in October and March. The event is typically held in the evening in the Gymnasium. Dates are posted on the Master Calendar, which can be found on our website.

Parents are encouraged to schedule informal Parent-Teacher conferences any time during the school year by appointment as the need arises.

Power School Online Student Grades

Parents are encouraged to monitor the homework, quiz, test, and project grades for their students on a weekly basis using PowerSchool's online grade check. Students and parents should address questions or concerns about particular grades directly to the teacher before reaching out to guidance counselors or an administrator. PowerSchool makes it easy for parents to email teachers if there is ever a concern.

Information regarding how to access PowerSchool will be provided at the beginning of the school year. If assistance is needed with the password or Power School process, contact the Registrar or the appropriate Counselor.

Report Cards & Student Progress

All Report Cards and formal progress reports will be emailed to parents at the end of each semester and other scheduled times (approximately every 4.5 weeks). Printed Report Cards and formal progress reports will be distributed directly to students during class at the end of the semester and at scheduled progress report times. Hard copies of Report Cards for parents are available upon request. Progress Report and Report Card distribution dates are posted on the Master Calendar, which can be found on the website: www.smknights.org.

Grading Policy

Grades range from an A to an F (no A+ grade exists). Only the semester grade appears on a student's permanent transcript and only the semester grade becomes a part of a student's permanent record. Progress Reports are used to inform parents of academic progress; to determine eligibility for participation in interscholastic activities and athletics; and to implement and follow-up on Academic Probation. (See the **Academic Probation** and **Eligibility** sections of this handbook.)

Courses offered on a pass/fail basis shall use a P to designate a passing grade and an F to designate a failing grade and may not be used in the calculation of the student's grade point average (GPA).

Contesting Grades

Students or parents who wish to contest a grade received on an assignment, test or report card must first attempt to resolve the disputed grade with the teacher. Should the matter be unresolved, the issue will be taken to the department chair. If the grade is still contested, the issue may be referred to the Assistant Principal for Curriculum and Instruction. Any request to

contest a grade must be made within ten school days of the grade in question being reported in PowerSchool. Requests to contest a grade after ten school days may not be honored.

Grade Point Average (GPA)

Courses offered in the high school curriculum shall be awarded grade points on a 4.0 grade point scale for traditional education courses, a 4.5 grade point scale for honors courses, and a 5.0 grade point scale for Advanced Placement and dual enrollment courses. Transfer student credit for weighted courses shall be given for advanced placement/dual-enrollment and honors courses according to the SMHS grading scale.

Semester Examinations

Semester finals are given at the end of the first and second semesters. All students are required to take a cumulative semester exam in each of their classes. The semester exam counts for 20 percent of the semester grade.

Students will not be permitted to take semester examinations or register for the following semester until all financial obligations have been met. (Diocesan Policy 3-1.5.02G)

No student will be allowed to take semester exams early without the written permission of the Principal or Assistant Principal. This permission will only be given for emergency cases. A form for this request is available from the student's guidance counselor.

Students must make up first semester exams within two weeks after the start of the second semester and must make up second semester finals within two weeks of the end of the second semester. Students who miss finals (first or second semester) for financial reasons are required to make up their finals within two weeks after being cleared to take finals and/or their return to school.

Guidance Department

Every Saint Mary's student has a guidance counselor. The duties of these counselors are to help students select their courses, interpret academic achievement tests, and monitor student performance. The counselors help with college and career choices, assist students with personal issues, make referrals when appropriate, and encourage students to achieve their fullest potential. Each counselor also serves as a contact person for parents and can answer questions about general academic matters. Guidance counselors, however, do not provide therapy for students.

Courses

Saint Mary's offers a wide variety of courses to meet student needs. Students may be enrolled in regular, honors, dual enrollment, or advanced placement courses.

Honors Course Placement

Students are placed into honors courses based upon teacher recommendations, performance in previous courses, and class size. Generally, entrance into honors level courses requires the approval of the guidance counselor and a teacher's recommendation. Students who display curiosity, hard work, active engagement in class, and intellectual aptitude are considered for honors placement. Students who do not continue to demonstrate these traits may be placed in regular level classes the next year. Students who earn a C- or below in an honors class or a C+ and below in a regular class will not be considered for honors placement.

Honors Courses

Seat of Wisdom 1-2, 3-4, 5-6, and 7-8 Honors*

Algebra 1-2 Honors

Algebra 3-4/Trigonometry Honors

Geometry Honors

Biology Honors

Chemistry Honors

Physics Honors

French 5-6 and 7-8 Honors

Classical Latin and Ecclesiastical Latin Honors

Spanish 5-6 Honors

Theology 1-2, 3-4, 5-6 and 7-8 Honors

Advanced Placement (AP)/Dual Enrollment Classes

Advanced Placement (AP) and dual enrollment courses provide students with the opportunity to pursue the rigors of college level studies while they still have the support of the high school environment. Students who successfully complete these courses and exams are demonstrating to college admission officers that they have sought out an academic experience that will prepare them for success in college and beyond. Most two- and four-year colleges and universities worldwide recognize AP in the admission process and accept successful exam scores (usually a 4 or 5) for credit, advanced college placement, or both.

Saint Mary's offers dual enrollment courses through Colorado Christian University (CCU) or Advanced Placement courses. The courses are taught on our campus by Saint Mary's teachers. The following courses are offered:

Seat of Wisdom 7-8 DE (ENG 102)

PreCalculus/MAT 115 1-2

College Calculus I 1-2 (AP Calculus AB)

College Calculus II 1-2 (AP Calculus BC)

College Biology 1-2 (AP Biology)

College Chemistry 1-2 (AP Chemistry)

College Physics 1-2 (AP Physics)

AP Spanish Language 1-2 (AP Spanish Language and Culture)

By earning a C or better in a dual enrollment course, students receive both high school and college credit. Transferability of dual enrollment college credit(s) is ultimately determined by the university to which one is applying. *It is the student's responsibility to make sure these credits will be accepted at the university he or she hopes to attend.*

Each of Arizona's public universities and Grand Canyon University accept CCU transfer credits. A complete list of institutions accepting credits is available at CCU's website.

Enrollment in these programs requires payment of additional college registration, test, and/or tuition fees.

Note: Students may not take a dual enrollment course off campus during the high school academic year (including summer) for a course that is required to be taken at Saint Mary's.

Course Selection and Changes

Guidance counselors work with students and their parents in requesting and scheduling courses. The master schedule is built using student's course requests. Students choose courses, not teachers or sections. Hence, changes to course requests at the beginning of the year may not be granted. Any changes to course selections and schedules must be approved by the student's guidance counselor and at least one of the student's parents/guardians. Additionally, changes must be made within the first five school days of the semester. After this time, any course selection changes will only occur for extreme emergencies and will require the approval of the Assistant Principal of Curriculum and Instruction.

Course Level Changes

A student, parent/guardian, or staff member may make a request for a course level change from an honors course to a regular course during a semester (example: making a course level change from Seat of Wisdom 3-4 Honors to Seat of Wisdom 3-4). A request for this type of course change must be confirmed by the student, at least one parent, the exiting class teacher, receiving class teacher, guidance counselor, and the Assistant Principal of Curriculum and Instruction. Course level changes out of honors level courses are generally not granted except in serious circumstances and are dependent upon space in the receiving class.

The grade percentage of the student at the time of the level change from the exiting class shall be transferred directly to the receiving class with no modifications. The percentage from the exiting class shall be averaged with the average earned in the receiving class for the remainder of that semester. Honors and/or advanced GPA points will not be given when a student transfers out of an honors or advanced course. The grade point average (GPA) used for that class for that semester will be

based on where the *receiving* class is listed on the GPA scale.

Off Campus Courses

Students taking classes off campus or online during the school year or summer break must receive prior approval from the student's guidance counselor in order for these classes to satisfy Saint Mary's graduation requirements. Students must receive at least a C- to earn credit for online coursework.

Retaking a Course

The following courses are approved as retake courses at Saint Mary's, when approved by the instructor for skill-building purposes: Yearbook, Boys Weight Training, Girls Weight Training, Advanced Physical Education, and Choir 1-2. These courses and the corresponding grades and credit will be posted on the student transcript.

Students may retake other courses at other schools in order to earn a higher grade in the course to improve their opportunity for college admissions. However, the course being repeated may only count once for credit in the total number of high school credits required for graduation. The retake course will be listed on a student's transcript and marked as such. Students who have earned top grades at Saint Mary's in their core courses without retaking those courses at other schools or online will be the students considered for valedictorian and salutatorian honors.

When a student fails a core course at Saint Mary's, he or she is required to retake that course the next time it is offered at Saint Mary's. The retake grade will be posted as the final grade for the course on the student's transcript, but the original F grade remains on the transcript, but is not included in the GPA calculation.

Academic Recognition

Honor Roll

At the end of each semester, students earn recognition for being on the Honor Roll. Honors recognition occurs for a student with a weighted GPA of 3.75 or higher for that respective semester.

Note: A student with a current grade of D or F will not be placed on the Honor Roll, regardless of GPA.

Principal's Honor Roll

Saint Mary's Catholic High School recognizes students who demonstrate exemplary scholastic achievement by including them in the Principal's Honor Roll. The goal of the program is to provide motivation, incentive, and reward for students who achieve high standards of academic success.

Students with a 3.75 cumulative weighted GPA or higher will be on the list. Students on the Principal's Honor Roll are considered for the Honor Board.

Honor Board

Seniors may be selected to be an Honor Board honoree. To be recognized for this honor, a senior must have a cumulative weighted GPA of 3.75 or higher at the end of his/her *sixth* semester (end of second semester of junior year) of high school. A student must be current in academic graduation requirements and be in good disciplinary standing to receive this honor.

Honor Board members must maintain their GPA, high disciplinary standing, and be involved in school leadership and service to the community through their senior year in order to receive the Honor Cord for recognition at Commencement.

Honor Cord

Seniors may be selected to be an Honor Cord honoree at Commencement. To be recognized for this honor, a senior must have achieved a cumulative weighted GPA of 3.75 or higher by the end of his/her *seventh* semester (end of first semester of senior year) of high school and maintain their GPA to the end of their senior year. A student must be in good disciplinary standing in order to receive this honor.

NOTE: Only school approved cords/stoles are permitted at graduation and must have approval at least a month prior to graduation.

NOTE FOR TRANSFER STUDENTS: Transfer students must attend Saint Mary's from the beginning of their sophomore year through their senior year to qualify for Valedictorian and Salutatorian awards. Students may contact a guidance counselor or an administrator for additional information.

A transfer student who has taken courses at another school that had been recognized with a weighted GPA may transfer the weighted GPA for those courses if they also receive a weighted GPA at Saint Mary's. All other courses will receive un-weighted GPA points. Saint Mary's reserves the right to deny the transfer of credit for any course from another institution if that course is determined by school administration not to meet the academic rigors established for a class offered at Saint Mary's Catholic High School.

Academic Deficiencies

Students must make up academic deficiencies before the start of the following academic year by following the remediation plan developed by the school. Failure to make up academic deficiencies within the time granted by administration may result in withdrawal from Saint Mary's. If a student's academic deficiencies are such that the student cannot make up the deficiencies with the time remaining before graduation, the student will be withdrawn from Saint Mary's.

Except in rare circumstances, deficiencies in core courses (Theology, Fine Arts, English, Mathematics, Social Studies, and Science) must be made up at Saint Mary's. This can happen either during Saint Mary's summer school (if the course is being offered), or during the school year. Core classes that are repeated during the school year have priority over elective classes and will "bump" them from a student's schedule.

Elective deficiencies may be remedied by attending summer school, taking online courses, or, in some cases, through a directed or independent study program under the supervision of a member of the faculty. Students wishing to enroll in courses outside of Saint Mary's must receive approval from their guidance counselor. Students must earn a C- or above in all approved online courses to receive credit.

Students are responsible for keeping their credits up to date, and for providing official transcripts of completed non-Saint Mary's courses to the Registrar as soon as official completion of the course.

Academic Probation

Students with a credit deficiency, an F in any class, or a GPA of 1.667 or lower at the end of a grading period may be placed on Academic Probation. Such students will be placed on an individualized Academic Contract developed by their guidance counselor and Assistant Principal for Curriculum and Instruction. Students will be taken off probation mid-way through the semester or after they meet the terms of their contract.

The Academic Contract may require a student to attend the morning Teacher-Student period, seek peer tutoring, attend before or after-school academic intervention, and/or meet with teachers during office hours. A student who does not cooperate with the strategies outlined in the contract may be asked to withdraw from Saint Mary's.

Academic Eligibility

To participate in interscholastic athletics or other co-curricular activities (theatre, trips, etc.), **students must have no grade less than a D and cannot have two or more Ds in all of their classes at the time of an eligibility check.** No assignments submitted on an eligibility check day will be entered by the teacher. If eligibility is lost, it may be regained at a subsequent scheduled eligibility check if the student meets the minimum requirements.

During the ineligible period, student-athletes may try out for a sport that begins in the following grading period, but they may not suit up, play with the team, or miss any class time, until they meet the academic standards at a scheduled eligibility check. Students who are involved in other co-curricular activities and who become ineligible may not attend field trips, miss class time, or participate in performances until they regain eligibility.

Frequency of Eligibility Checks

Eligibility checks for participation in interscholastic athletics and co-curricular activities will be performed on the dates listed below and are generally on Wednesdays. Eligibility checks are based upon the current semester grade or at the beginning of the semester, upon the final grade for the previous semester.

Commencement Ceremony Exercises

To participate in the commencement ceremony of Saint Mary's Catholic High School, a student must fulfill all academic requirements, satisfy financial obligations (including the graduation fee which is due in the student's senior year), and be under no disciplinary or attendance restrictions. These requirements are strictly enforced. Participation in the commencement ceremony exercises is a privilege not a right. A student may be excluded from participation in these exercises (even if he or she is not denied a diploma) for reasonable cause as determined by the principal.

Seniors are required to strictly adhere to dress code requirements associated with the commencement ceremony. Only the school approved and provided cap and gown, National Honor Society sash, honor cords, corsage, and boutonniere may be worn. No additional sashes, flowers, or adornments may be added without approval from Principal.

ATHLETICS

Saint Mary's Catholic High School is a member of the Arizona Interscholastic Association (AIA). In addition to this student handbook, student-athletes must observe the regulations in the current editions of the *AIA Handbook* and the *Saint Mary's Catholic High School Athletic Handbook*. Parents or guardians of a student-athlete and the student-athlete need to sign and agree to abide by the contents of the *Saint Mary's Catholic High School Athletic Handbook*. This handbook is available in the main office.

Before participating in any sport, a student-athlete must be academically eligible and submit a completed SM Athletic Packet which includes a current AIA physical form which must be completed by a doctor. Athletes must also provide a copy of their birth certificate to the Athletic Office and must pay the sports participation fee at the Business Office a week prior to the first regular season competition.

A transfer student must contact the Athletic Director to discuss eligibility. Transfer students will be required to complete the AIA 550 form a minimum of two weeks prior to the start of the season.

Saint Mary's Boys' Sports: football, basketball, baseball, soccer, swimming, golf, tennis, volleyball, cross country, track and field

Saint Mary's Girls' Sports: volleyball, softball, basketball, soccer, swimming, golf, tennis, cross country, track and field, and spirit line

See **Academic Eligibility**.

AIA Tuition Assistance Guidelines

No student shall accept any type of tuition assistance for athletic purposes. Any student, parent, or guardian who attempts to do so will be required to withdraw their student(s) from Saint Mary's Catholic High School for putting the school at risk for potential AIA violations. Anyone associated with Saint Mary's who becomes aware that this type of situation may be occurring is required to immediately report such an incident to the principal.

ATTENDANCE

Regular attendance and prompt arrival to school are vital to a St. Mary's student's attitude and success as a serious scholar. Research shows that "students who attend school regularly have been shown to achieve at higher levels than students who do not have regular attendance." Additionally, "poor attendance has serious implications for later outcomes," such as graduation (National Center for Education Statistics). Students are expected to be punctual and in attendance each day that school is in session.

Each student is required to attend Saint Mary's religious services: monthly Masses, Retreat Days, and Prayer Services, including Eucharistic Processions, etc.

Classroom Attendance Policy

At the beginning of the year, teachers will inform students of their policies and procedures regarding tardies or absences and how it affects success in their particular classes. An absence is not an acceptable excuse for incomplete work. It is the students' responsibility to find out work missed and to complete work as assigned by the teacher. This policy is intended to encourage students to put school attendance as a high priority.

The following general guidelines apply to **make-up work** after an absence:

- One day of make-up is allotted for each excused day missed unless other arrangements have been made with the teachers.
- Work that was due on the day of an absence is due upon return.
- Students who miss review or work sessions prior to an exam or major assignment due date may not be granted an extension and should expect to take the exam or submit their work upon returning to class.
- Students who are absent on the day of a major assignment (essay, lab report, project, etc.) or exam should be prepared to submit the work or take the exam when they return. Please refer to the teacher's syllabus for specific guidelines related to make-up work.

Reporting Absences

It is of paramount importance that we know where students are if absent. Therefore, on the day of absence, parents/guardians are to call the school attendance line at **602-251-2501** or email the school attendance account at attendance@smknights.org before **8 a.m.** on the day of the absence. An email must come from a parent/guardian email account documented in PowerSchool. The subject line should read Student First Name, Last Name, and Date of Absence (Jane Doe Absence for August 17, 2023).

When reporting an absence include the following information:

- the name and relationship of the person calling,
- the student's full name,
- the student's date of birth,
- and the reason for the absence.

Parents/Guardians who will be out of town while school is in session should give the school office the name and phone number of the adult who will be responsible for their sons or daughters in their absence. Saint Mary's reserves the right to determine if an absence is excused or unexcused regardless of the reason.

Planned Absences

Extended absences of three (3) days or greater are strongly discouraged and students are reminded that any absence from school, except for school sponsored activities, will be counted in determining the loss of credit. Planned absences must have an email from the parent or guardian before the absence occurs. Students are required to complete a **Planned Absence Form** available in the Front Office.

Parents and guardians are strongly encouraged to schedule appointments, vacations, and other voluntary absences outside of school time.

Excessive Absences

The State of Arizona Revised Statutes regarding excessive absences is follows:

A.R.S 15-803. School attendance; exemptions; definitions

- It is unlawful for any child who is between six and sixteen years of age to fail to attend school during the hours school is in session, unless either:
 - a) The child is pursuant to section 15-802, subsection D or section 15-901, subsection A, paragraph 5, subdivision (c).
 - b) The child is accompanied by a parent, or a person authorized by a parent.
 - c) The child is provided with instruction in a homeschool.
- A child who is habitually truant or who has excessive absences may... be considered excessive when the number of absent days exceeds ten percent of the number of required attendance days prescribed in section 15-802, subsection B, paragraph 1.
- For the purposes of this section:
 - "Habitually truant" means a truant child who is truant for at least five school days within a school year.
 - "Truant" means an unexcused absence for at least one class period during the day.
 - "Truant child" means a child who is between six and sixteen years of age and who is not in attendance at a private school during the hours that school is in session, unless excused as provided by this section.

Students absent for **ten consecutive unexcused days** are withdrawn from the school automatically. Parents of students wishing to return to the school after this ten-day period must make an appointment with the principal, who will then decide on admission status.

Severe illness or injury, necessary major surgery, and other health-related conditions may constitute exceptions to this policy, but the school must be notified of these conditions as soon as they become known. In such cases, the policy regarding these extended absences will be in effect. Delay in notifying the school may result in the automatic dropping from school rolls.

Excessive Academic Course (Class Period) Absences

Cumulative absences of **ten or more class periods** for a **single academic course** in a semester, excused or unexcused, may result in the loss of credit for that course. Continued enrollment at Saint Mary's will be contingent upon the student adhering to an **Attendance Improvement Plan**. Chronic Illness or an emergency causing excessive absences will be dealt with on an individual basis through the office of the Dean of Students and Assistant Principal for Curriculum and Instruction. Students must make up all tests, quizzes, assignments, and time before credit is given.

- Absence #4-6: Absence Attendance Notification Letter
- Absence #7: Meeting with Dean of Students and student and parents acknowledge Attendance Improvement Plan
- Absence #9: Meeting with Dean of Students and parents and placed on Attendance Contract
- Absence #10: Continued enrollment at Saint Mary's reviewed

NOTE: Absences due to school-sponsored activities or meetings with a counselor or staff member are not in this probation or loss of credit policy but may be taken into account when considering the ability of the student to successfully complete the program of study. Students who have missed a considerable number of classes are discouraged from attending school activities that will cause additional absences.

Truancy

Truancy can be defined as an unexcused absence for at least one class period during the day. If a parent/guardian fails to report a student absent from school, the student does not properly check out of the front office when they are leaving campus during the day school day, or a student is not in their assigned classroom they are considered truant. Students who are truant from school will be subject to disciplinary action by the Dean of Students.

Tardiness

Students are expected to be in class, seated at a desk and prepared to begin when the bell rings to start class. A student arriving less than ten minutes late will be considered tardy. After ten minutes, the tardy becomes an unexcused absence. Four and more subsequent tardies is considered *Excessive Tardiness*, becomes a disciplinary matter, and teachers will write a detention each time the student is tardy from that point forward.

A senior with excessive tardies may be subject to not participating in the graduation ceremony.

School actions:

- Tardy #4-6: Tardy Attendance Notification Letter
- Tardy #7: Meeting with Dean of Students and student and parents acknowledge Attendance Improvement Plan
- Tardy #9: Meeting with Dean of Students and parents and placed on Attendance Contract
- Tardy #10: Continued enrollment at Saint Mary's reviewed

Students must report to class before going to see a counselor or the school nurse.

Late to School

Students arriving on campus after the start of first period must check-in with the front desk receptionist to receive a late to school pass. After fifteen minutes, the Late To School becomes an unexcused absence. Once a student has been late to school seven times per semester, for any reason, they will receive an Attendance Improvement Plan that must be signed by both the student and parents. The Attendance Improvement Plan will notify the student and parents of the additional consequences for further incidents of being late to school:

- Late to School #4-6: Late to School Attendance Notification Letter
- Late to School #7: Meeting with Dean of Students and student and parents acknowledge Attendance Improvement Plan
- Late to School #9: Meeting with Dean of Students and parents and placed on Attendance Contract
- Late to School #10: Continued enrollment at Saint Mary's reviewed

Attendance Improvement Plan

Students in danger of losing course credit due to excessive absences will be put on an Attendance Improvement Plan. With assistance from guidance counselors and administration, students and their families will develop a plan for solving attendance issues. Any student who continues to be excessively absent after 1-2 semesters on an Attendance Improvement Plan may be asked to withdraw from the school.

Early Dismissals

Parents/guardians must request an early dismissal by calling the attendance line or sending an email before 8:00am on the morning of the early dismissal. Students should go to the front office before school to receive a pass to leave class at the time of the early dismissal. Either parents/guardians must personally sign out students or the office will verify by email that the students have permission from their parents/guardians to sign themselves out. It is expected that parents request early dismissal only for medical or emergency reasons.

Eligibility for Activities and Sports

Students who are absent from school or who attend fewer than four (4) full class periods may not attend or participate in any outside-of-school co-curricular activities (school dances, athletic contests and practices, club meetings, fine arts performances and practices, field trips, etc.) on that day.

Excused / Unexcused Absences

Absences will be considered excused for reasons of the following: illness, injury, medical or dental appointments that cannot be scheduled outside of school hours, bereavement, family emergencies, planned absences and school suspensions. All other cases of absence, whether reported by the parent/guardian or not, shall be considered unexcused.

For unexcused absences, the teacher is not required to instruct again or extend due dates for other assignments. It is student's responsibility to request assistance of the teacher.

Study Hall Attendance

Study Hall is an extension of the student's regular day and the same attendance policies therefore apply. Students with an unexcused study hall absence will be considered truant and will be referred for disciplinary action.

Chronic Illness

Parents or guardians who anticipate their student having an excessive number of absences due to chronic illness must complete a "Chronic Illness" form and file it with the school. This form is available from the Front Office.

Illness

If a student is absent from school due to an illness, they should not return to school as long as they are capable of infecting others. No student whose illness resulted in a fever or other symptoms of a contagious infection should return to school until the fever or other symptoms have subsided for a minimum of 24 hours unless they have a note from a doctor stating they are no longer contagious.

A student who becomes ill during the school day must go to the Nurse's Office. Under no circumstances may a student who is ill or injured leave the campus without reporting to the nurse. If it is determined that the student is too ill or injured to remain in school, attempts will be made to contact a parent/guardian, or designated emergency contact person. Transportation will be arranged, and steps for appropriate care will be taken. School officials will summon paramedics if medical attention beyond simple first aid is required. Parents/Guardians must assume all expenses incurred for emergency treatment. Parents must email attendance@smknights.org excusing the absence on the day of their return to classes. Parents/Guardians may give their students permission to drive themselves home if the parents/guardians feel their students are capable of driving home. A school official must verify this permission.

Closed Campus

After arriving, students may not leave campus without permission from their parent and after signing out with the Front Office. Additionally, students may not go to their vehicles for any reason during the school day, including break or lunch.

Parents may not excuse students to leave campus on their own for lunch. Parents may, however, come to the school and sign their own child out and accompany him or her off-campus for lunch. Parents who do so must then accompany their child back to school and sign him or her in at the office.

Arriving Before School Begins

Campus opens at 7:10 a.m. Students arriving between 7:10–7:30 a.m. must be in the library, or courtyard only. **Upon arrival, students may not remain in their parked cars; they must enter campus.** Students may be given a summons if found remaining in their parked car during this time. Beginning at 7:30 a.m., students may go to classrooms to attend teacher-student period. Students may not loiter in hallways, beside lockers, or in classrooms before the start of school. They may, however, go briefly to their lockers if they need to pick up materials, but must immediately return outside or to the library for quiet study and reading.

Leaving After School Ends

The campus closes at 3:15 p.m. on Monday through Thursday and 1:30 p.m. on Friday. Students are only allowed to be on campus if they are in a supervised school-sponsored activity, in the library, available Monday–Thursday, 3–5 p.m., or in study hall Monday–Thursday, 2:55–3:35 p.m. The school expects families to pick-up students by 5 p.m. (Monday–Thursday) and 1:30 p.m. (Friday). In the case of delayed transportation after this time, students must wait for rides in the courtyard by the front gate.

STUDENT LIFE

Campus Ministry

The role of campus ministry is primarily to provide for the pastoral care of the school community by offering each person on campus an opportunity to encounter Jesus Christ and the love of God the Father in an authentic way.

The Holy Eucharist is the source and summit of life at Saint Mary's Catholic High School. Daily Mass is celebrated in the school chapel every Monday and Friday at 7:15 a.m. and Tuesday through Thursday during lunch. Once a month, the entire student body attends Mass in the gym. All members of the school community are invited to join with us for Mass. There is also a yearly Eucharistic procession through campus concluding with all school adoration in the gymnasium.

On the first Friday of each month, students have the opportunity to receive the Sacrament of Reconciliation and to adore the Blessed Sacrament. The Blessed Sacrament is exposed in the chapel from 8 a.m.–1 p.m. Adoration is open to the entire school community. The Sacrament of Reconciliation is also available at lunchtime.

In addition to the weekly opportunity for reconciliation on Mondays at lunch, there is a school-wide reconciliation service during Advent and Lent. Students are encouraged to seek a priest for the Sacrament of Reconciliation as often as needed outside of the regularly scheduled confession times.

There are many retreat and formation opportunities provided for the students throughout the school year. All classes have a retreat day each year. Juniors and seniors are able to participate in one of two annual Kairos retreats. Upperclassmen can

take part in the pilgrimages to Washington, D.C. and San Francisco for the March for Life and Walk for Life. Finally, student Bible studies are offered periodically and open to all.

Christian Service

"Do you know what I have done to you? You call me Teacher and Lord; and you are right, for so I am. If I then, your Lord and Teacher, have washed your feet, you also ought to wash one another's feet. For I have given you an example, that you also should do as I have done to you." (John 13:12–15).

Participation in Christian service is an integral part of the life of a Saint Mary's student. Each student is asked to go beyond simply doing good works for the sake of the works themselves and learn to respond to the needs of others with true mercy and charity as their guide, becoming aware of their responsibility to serve those in need.

Jesus' example shows us that service is born out of love and not simply out of obligation. It is our hope that students will come to serve God and others out of love for Jesus Christ.

Christian service comprises both corporal and spiritual works of mercy. The Corporal Works of Mercy are to feed the hungry, give drink to the thirsty, clothe the naked, shelter the homeless, visit the sick, ransom the captive, and bury the dead. The Spiritual Works of Mercy are to instruct the ignorant, counsel the doubtful, admonish sinners, bear wrongs patiently, forgive offenses willingly, comfort the afflicted, and pray for the living and the dead. Many opportunities exist throughout the school year to perform works of mercy and make life more pleasant and meaningful for others.

Each House, sports team, and club is required to do one service project each year, where all members participate. Student leaders of these groups are expected to demonstrate leadership and initiative by organizing projects that benefit their local community or Saint Mary's. Ideally, the service project is related to the charism, nature, or interest of the group. A list of service opportunities at parishes, in the community, and at school will be posted in the Campus Ministry Room.

Additionally, students will also be given opportunities to participate in service projects such as class retreats and mission trips offered throughout the year.

Clubs and Organizations

Saint Mary's charters many co-curricular groups which are overseen by the school's club moderator. Some of our long-standing clubs include:

Ambassadors	Drumline	Philosophy
Art	Knights of Marcy	Poetry
Chess	Knights of Wall Street	Robotics
Columbian Squires	Mud (ceramics)	Youth 4 Life
Drama	National Honor Society	

Eligibility

To participate in (non-graded) co-curricular activities, students must maintain academic eligibility. Students who are involved in co-curricular activities and become ineligible may not attend field trips, miss class time, or participate in performances until they regain eligibility.

See also **Academic Eligibility**.

SAINT MARY'S HOUSE SYSTEM

The primary objective of the House System at Saint Mary's Catholic High School is to further our mission and enriching our culture by building authentic community with our students, parents, staff, and alumni. The House System provides a vehicle for strong bonds between all members of the school community, promotes the development of relationships, both personal and collegial, and enables a more complete development of each student's leadership skills.

Overview of the Saint Mary's Catholic High School House System

- Saint Mary's Catholic High School has six houses, which are named after the six saints featured in our Saint Mary's Mural: Saint Thomas Aquinas, Saint Agnes, Saint Junipero Serra, Saint Catherine of Siena, Saint John Paul II, and Saint Francis.
- Each student will be a member of the same house for all four years of high school and beyond. There are approximately 85 students in each house.
- Siblings are assigned to the same house, though different rooms.
- Each house is divided into five rooms. Each room includes approximately 18 to 20 students.

- Each house is headed by a dean, a faculty member chosen by the administration.
- Each room is headed by a teacher leader, the room mentor.
- Each house has two student leaders, the senators, who are elected by each house.
- Each room has two student leaders, the room representatives, who are elected by each room.

STUDENT SERVICES

Computer and Internet Access

Conditions and Rules of Use

Access to the Internet through the school's computer system is a privilege, and not a right. Accordingly, failure to comply with the following conditions will result in the cancellation of the computer and Internet privileges on our campus:

Use of a Saint Mary's computer network account must be in support of education and research consistent with the Mission, Philosophy, and Integral Student Outcomes of the school.

Under no circumstances is a student to use another person's credentials to log in to the network without receiving prior permission. The seriousness of this type of infraction may result in the student being withdrawn from school.

Student must abide—on and off campus—by the generally accepted rules of network etiquette and ethics at all times. Activity deemed unacceptable, inappropriate, or illegal by the school or the State of Arizona is prohibited. Such activity may include but is not limited to the following:

- Using obscene or profane language
- Harassing, insulting, or bullying
- Intentional downloading, displaying, or sending pornographic, racist, or otherwise offensive material, threatening or obscene material
- Violating copyright laws or transmitting materials in violation of any United States or state organization or law
- Damaging computers, computer systems, or networks (includes, but is not limited to: modifying single workstation control panel settings, installing—or attempting to install—software without expressed permission from appropriate authorities, and changing hardware or network configuration settings for computers or printers)
- Using another users' password to access network resources
- Reviewing, modifying, or displaying information from the files of administrative systems of the school or other organizations or intentionally wasting limited resources
- Using computer systems for commercial purposes
- Using the network in any way that could disrupt the system or its use by others
- Downloading or installing any commercial software, shareware, or freeware onto computers, or network drives
- Using or revealing the last name, personal address, or phone number of faculty, staff, administration, or fellow students

Counseling and Confidentiality

With certain exceptions, any and all information regarding your child's and family's guidance at Saint Mary's is kept strictly confidential. Any information regarding illegal or risky behavior, the use, possession or distribution of drugs/alcohol, or any behavior that we believe places a student in harm's way becomes known, that information will be shared with the parent/guardian of the student. Under certain rare circumstances, we may be required or allowed to reveal information obtained in guidance sessions, on a need-to-know basis, without parent's prior consent.

Confidentiality cannot be guaranteed under the following circumstances: threats of suicide or serious physical harm to self or others;

- court order to release records or other information about your child's school guidance, including test results, evaluations, attendance, and progress;
- referral to another professional, e.g., for the purpose of testing and evaluation, consultation with or supervision by another counseling professional;
- any behavior or situation where disclosure of information is required by applicable law (i.e. abuse, bullying, sexting, child pornography, use of illegal substance).

If informing parents is likely to endanger a student, counselors/teachers may withhold that information from parents, but only with the approval of the principal, law enforcement, or mandatory reporting agency.

When any information regarding sexual behavior or the use, possession, or distribution of drugs or alcohol by a diocesan student becomes known by any diocesan staff member, that information may be shared with the parents/guardians of the student.

Field Trips and School-Sponsored Activities

All permission forms and transportation forms (if needed) must be completed and returned to the school prior to participation in a field trip or school-sponsored activity requiring these forms. Students and their parents or guardians are responsible to communicate directly with the staff member responsible for the field trip or school-sponsored activity if they have any questions related to the forms or the event. Unless otherwise indicated, the appropriate dress for all activities is the school uniform.

Insurance

Insurance exists for students as a supplement to the insurance that parents or guardians possess individually. The insurance exists at no additional cost to the student and his or her parents or guardians. The insurance covers participation in athletic programs and all other school-sponsored activities. There are limits on the coverage available under this insurance plan. Students and their parents or guardians are responsible for reporting any injuries to the school nurse, athletic director, or main office staff to receive the insurance forms that must be completed.

Lost and Found

The only courteous and Christian thing to do with an item found in or around school is to take it to the Front Office. Students who have lost an item should check at the Front Office for it. Unclaimed items are displayed quarterly in Fessler Hall. Saint Mary's donates unclaimed items to charity at the end of each quarter.

Messages and Deliveries

No student will be called from class to accept a telephone call or message. If there is an emergency, please call the Front Office for proper action to be taken. If a student receives gifts from family or friends while at school, they must be taken to the Front Office to be stored until the end of the school day.

Students may not order food and have it delivered to school at any time. Parents or guardians who bring lunch to their children should label it clearly with the first and last name and leave it on the designated table in the Front Office.

Student Identification Cards (I.D.s)

Every student will be issued an identification card with his or her name, picture, and school year. A student must have his or her I.D. card in his or her possession at all times while at school or school-sponsored events. Failure to possess the I.D. for admission to a school-sponsored event may result in the student not being admitted to the event. Students must allow two school days for a new I.D. to be made.

Students should report lost or stolen cards to the Dean's Office. The cost for replacement is \$10. No temporary student I.D. card is available during the replacement time.

A student who lends or uses another's I.D. card will be referred to the Dean's Office for disciplinary action.

Textbooks

All textbooks and novels are included in the cost of tuition. Textbooks are distributed to students in *good, very good, and brand-new* condition and must be returned as such, showing only typical yearly wear. Since textbooks are only on loan to the students they must not be written in, torn, stained, or damaged in any other way. Each textbook is identified with the student's name and a unique barcode at the time of distribution. Students must return the exact textbooks that were distributed to them with unaltered name and barcode tags. Textbooks that are not turned-in or have altered or missing name or bar code tags will be treated as lost books and full cost to replace the book will become a financial obligation for the family. Books turned in damaged will be assessed as to severity of damage and a fine assigned accordingly. Students must pick-up their textbooks in the school library no later than their respective Orientation Day and return them no later than the textbook check-in days posted at the end of the school year. The *Bible* and novels are the property of the student and do not need to be returned. It is hoped that students will begin to build their own "libraries" of good literature with the novels. Please note that the same *Bible* is used all four years at Saint Mary's.

DISCIPLINE

Saint Mary's Catholic High School strives to create an environment where students can grow spiritually, academically, socially, and personally. Discipline plays an important role in creating this environment. Saint Mary's students are expected to conduct themselves according to the Mission, Philosophy, and guidelines as stated in this handbook at all times, on or off campus, in-person or when using the Internet or social media.

Off Campus Activities

Saint Mary's Catholic High School expects students to demonstrate responsible Christian social behavior on and off campus and to conduct themselves as good representatives of Saint Mary's and good citizens in our local communities in accordance with the law, our school discipline policies, and Catholic teachings. While we cannot monitor every violation that occurs off campus, and while Saint Mary's will not be held legally responsible or financially liable for the behavior of students off-campus, the school's Discipline Code will remain in effect at all times. If the behavior violates our Discipline Code or has or may have a negative effect upon the school's reputation, school discipline will be administered.

The school will keep an administrative record of disciplinary encounters with students and actions taken.

The following are some specific areas of student conduct and expectations. Failure to comply with the rules, regulations, policies, procedures, and expectations of Saint Mary's Catholic High School will result in disciplinary consequences.

Academic Honesty and Integrity

Saint Mary's academic honesty and integrity standards include the expectations that no student will engage in dishonest academic behaviors which include but are not limited to cheating, plagiarism, fabrication, obtaining an unfair advantage, aiding and abetting dishonesty, falsification of records and/or official documents and unauthorized access to academic or administrative records or systems.

Students who violate this policy have deliberately misrepresented themselves to their teachers and to their peers. In addition, students who are academically dishonest devalue the accomplishments of those students who have done their work honestly.

Cheating is defined as using unauthorized aid on a test, quiz, project or homework, and is a violation of the standard.

Cheating includes:

- Giving one's work to another
- Copying another student's work
- Communicating with another person during or after a test/quiz
- Using materials not permitted during a test/quiz
- Having possession of a current or previous test, quiz, or answer sheet without specific permission from the teacher
- Using any service, digital or other means, to do your schoolwork for you or provide answers to your schoolwork, including A.I. programs

Plagiarism is defined as presenting another person's ideas, words, or work as your own (with or without their consent) or providing one's own answers, ideas, or work so that another can pass them off as his or her own and is considered a form of cheating. Plagiarism includes:

- Direct copying of another person's work
- Using any amount of another person's material or ideas without proper documentation/citation
- Paraphrasing another person's original material without proper documentation/citation
- Use of translation programs, uncited secondary sources, *CliffNotes*, *SparkNotes*, etc., including A.I. programs

Any student who violates this policy will receive zero points for the assignment/assessment or for parts of the assignment/assessment in addition to consequences such as detention or in-school suspension. Additional school consequences will be enforced, including out of school suspension, or required withdrawal for students with repeat violations of this policy.

If a student violates the testing procedures, the student will receive disciplinary action, such as a detention, but may not lose credit on the assessment. This is at the discretion of the teacher and administration.

Alcohol and Drugs

Under no circumstances are Saint Mary's students allowed to possess, use, distribute; or, in any way encourage the use of illegal drugs or alcohol, either on or off campus. Behavior of this kind is antithetical to the mission of Saint Mary's Catholic High School. By its very nature, it opposes the virtues of temperance, prudence, and justice. In many cases, it is also indicative of a lack of courage in the character of the offending student.

Violation of the above will result in disciplinary action, which may include one or more of the following:

- Being placed on a student discipline contract
- Suspension

- Drug testing (mandatory, random)
- Participation in a mandatory alcohol or drug rehabilitation program
- Required withdrawal from the school.

If Saint Mary's has reasonable suspicion that a student may have used alcohol or drugs recently, that student will be suspended from school and must complete an alcohol or drug test within 24 hours of the incident, at the expense of the parent. Once the test results are sent to the school, the consequences will be finalized. Diluted test results will be considered a positive test. Additionally, Saint Mary's students should not possess any paraphernalia associated with alcohol or illicit drugs, nor should they support, endorse, or promote the use of these substances in any way (verbally, via e-mail, Internet, social media, texting, etc.). If a student is determined to have sold or distributed alcohol, illicit drugs, or paraphernalia at any time, that student will be suspended from school pending required withdrawal.

Saint Mary's Catholic High School works proactively to identify and address issues brought to its attention in order to assist students and families and cooperates with legal authorities with regards to students who break the law. Incidents involving drugs and alcohol on the Saint Mary's campus, any other school campus, or at school-related activities will be reported to the police. (ARS 13-3411)

NICOTINE

- Saint Mary's will search personal belongings if a reasonable suspicion exists. This includes backpacks and cars.
- A call will be made home to notify parents.
- A discipline plan will be created and implemented by the Dean's Office.

Backpacks

Backpacks may not contain any symbols, pictures, drawings or designs that are considered pop culture and/or contrary to the spirit of Saint Mary's School Community. Inappropriate buttons, badges, and other adornments are not permitted.

Buildings

Classroom buildings and the gym are closed to students at lunch. Students are permitted to be in the cafeteria or outside during lunch. Exceptions can be made for special meetings if permission is granted by the administration.

Cell Phones and Electronic Devices

Cell phones and other electronics (ear pods, Bluetooth devices, headphones, etc.) are strictly prohibited during the school day at Saint Mary's. They are not to be used, seen, or heard during any part of the school day. Saint Mary's acknowledges, however, that students frequently use their phones after school to arrange transportation with their parents or guardians. In light of this, the following guidelines have been established:

- Upon arrival, and before entering campus, students must turn their phones off and store them in lockers or backpacks until 2:45 p.m.
- Under no circumstance are phones allowed to be carried on one's person (pockets, socks, pencil cases, lunch boxes, etc.).
- After school, we encourage students to use their phones solely for the purpose of coordinating transportation with a parent or guardian and only outside of school buildings. Cell phones are not to be used in locker-rooms or in bathrooms at any time.

Students who do not adhere to these guidelines will have their phones confiscated, and the following consequence:

First Offense: \$10.00 fine

Second Offense: \$15.00 fine and detention

Third Offense: \$25.00 fine, detention, and parents must redeem cell phone

If parents need to contact a student during the school day, they should call the school's main telephone number and ask for a message to be delivered. Students who need to communicate with their parents during the school day must seek permission from faculty or staff to use a campus phone.

*Note: Saint Mary's Catholic High School reserves the right to check confiscated devices for any inappropriate information that may be stored, received, or sent during a school day or at any other time. Saint Mary's is **not** responsible for lost or stolen electronic equipment on campus and will not be monetarily liable for such losses.*

Destruction of Property and Vandalism

Students may not be involved in the inappropriate destruction of their own property, another person's property, or school property at any time. Under Arizona law, and school policy, parents or guardians are liable for damage done to school property by their student and will be charged for the cost of repairing or replacing the damaged property.

Disrespectful or Insubordinate Conduct

Students shall refrain from disrespectful or insubordinate conduct. At all times students should communicate respectfully with each other, staff members, parents, and guests through appropriate spoken, written, and non-verbal language. Students are to address adults using the adult's proper title and last name, for example, *Ms. Bartlett*, *Mr. Atkinson*, etc. When appropriate, students may simply address an adult by his or her title, for example, *Father*, *Sister*, *Coach*.

Disruptive Conduct

Disruptive conduct refers to any behavior or action by a student that interferes with the normal functioning of the educational environment, hinders the learning process of other students, or jeopardizes the safety and well-being of individuals within or outside the classroom. This includes, but is not limited to, continuous talking, making noises, refusing to follow instructions, unauthorized movement around the classroom, being disrespectful to teachers or peers, throwing objects, or engaging in any distracting behavior that disrupts the learning process.

In a case of disruptive conduct, the teacher will notify the student that what they are doing is disruptive conduct and warn them to stop the behavior immediately. If the student continues to act in a disruptive manner and the teacher must tell the student to stop a second time, the student will receive detention for their disruptive conduct. After three incidents of disruptive conduct, the Dean of Students will meet with the teacher(s) and student to address the concerns. At five incidents of disruptive conduct for any one period, or seven cumulative incidents of disruptive conduct, the student will be placed on a Behavior Improvement Plan. Subsequent incidents will result in reviewing the student's continued enrollment at Saint Mary's.

Dress Code Violations

Parental Collaboration

A dress code violation related to modesty (short skirt, tight pants, etc.) must be corrected immediately. If the violation cannot be corrected on campus, parents or guardians will be contacted and asked to help correct the violation by bringing appropriate clothing to school, or by taking the student home.

Students must reimburse the school for any uniform or dress code violation corrected with school-supplied materials (shaving supplies, socks, etc.).

Summonses

A student in violation of the dress code may receive a \$10 summons. This must be paid at the Front Office by the due date given by the Dean of Students (typically within five school days). Failure to pay on time results in detentions until the summons is paid. Students may receive multiple summonses during the same day if they violate the dress code more than once (e.g., if an un-tucked shirt or rolled up skirt is observed during first and seventh periods, a student may receive a summons for each infraction).

Excessive or repeated dress code violations are considered insubordination and result in further consequences.

Endangering or Threatening the Health and Safety of Others

A student shall not physically or verbally engage in conduct that endangers, or reasonably appears to endanger, intimidate, or degrade the physical, emotional, psychological, or spiritual health or safety of another student, faculty or staff, or visitors.

Entertainment Devices

Entertainment devices such as iPods, smart watches, smart glasses, music players, DVD players, video games, earbuds, or any other similar devices or toys are prohibited on campus during the school day. Students in possession of any electronic device may be disciplined and the device will be confiscated and released only to parents or guardians after confiscation.

False Alarms

Students may not pull the alarms for false reasons. Financial compensation to the school for the false alarm will be the responsibility of the parent or guardian.

False Identification

Students are required to have their current Saint Mary's student I.D. with them at all times. Students must always provide accurate identification when requested by a staff member, chaperone, or security officer. The replacement fee for lost or stolen cards is \$10.

Fighting

Students shall refrain from doing anything that might provoke a fight or from participating in a fight. Students who believe

that a fight may occur shall communicate that information to a school staff member, chaperone, or law enforcement officer immediately. Students who participate in a fight will be disciplined and their continued enrollment at Saint Mary's will be reviewed.

Food and Beverages

Food and beverages are not permitted in the classrooms, hallways, or in school buildings except in the cafeteria or designated eating areas. Violations will result in a \$10 summons.

Forgery

A student shall not use, or attempt to use, the identity or signature of another person.

Gambling

Students shall not participate in any gambling activities resulting in the exchange of money or favors based on who may win or lose.

Graffiti

Non-standard writing styles, such as tagging, are not permitted on any surface, clothing, notebook, backpack, paper, skin, etc. These styles will be interpreted by school personnel as gang related.

Gum

Gum chewing is not permitted on school grounds and will result in a \$10 summons.

Hazing, Bullying, Harassment, Hurtful Behavior

To request, make, or force someone to do something that may cause physical, social, or emotional harm (including through the use of the Internet or other social media or websites) is never acceptable. This includes a student wanting to hurt someone because that someone hurt him or her (retaliation) and applies in all settings, including athletics. If any student or parent feels bullying is occurring in any fashion, they should report this to an administrator immediately. A substantiated charge against a student shall subject that student to disciplinary action, which may include suspension or required withdrawal.

Lockers (School and PE)

All students are assigned school lockers; students in PE or weight training class are assigned an additional locker in designated areas in the gym. All assigned lockers have built-in combination locks, and students are required to lock them at all times. Students may receive consequences for lockers left unlocked or belongings not secured in a locker. Single-use, temporary lockers equipped with built-in electronic locks are also available in the gym.

All lockers in the school and gym are the property of Saint Mary's Catholic High School and may be searched at any time. Students may not write on or put anything on the inside or outside of the locker that may damage it. The student assigned to a given locker and his or her parents or guardians are financially responsible to reimburse the school for any damage done to that student's assigned locker. Items left on campus or in a locker room after the final day of school shall be considered a donation to Saint Mary's.

Neighborhoods and Jaywalking

Students, especially while in uniform, represent Saint Mary's everywhere they go and should act accordingly. Saint Mary's students are expected to be respectful of neighboring homes and businesses by not trespassing on their property. Students are also expected to follow all civic ordinances such as: no jaywalking, no loitering, etc. Students are not allowed to take short cuts through the alleys of the surrounding neighborhood.

Obscenity, Defamation, Profanity

Defamatory words or materials are those that are false and expose a person to hatred, contempt, ridicule, disgust, or an equivalent reaction or have a tendency to impugn a person's occupation, business, or office. Obscene materials are defined as those that an average person, applying a Catholic standard of ethics, would find offensive. Students will be subject to disciplinary action for using obscenity, defamatory language, or profanity.

Parking Violation

Students who drive to school shall only park in the school parking lot designated for students and must have a parking permit for the current school year clearly visible. Parking permits may be purchased in the Front Office. Students who park without a permit or violate any of the parking policies outlined in the "Transportation and Parking" section of the handbook, will receive school consequences.

Public Display of Affection

Students must conduct themselves in a manner becoming Saint Mary's Catholic High School standards at all times. No public display of affection is allowed on campus or at any Saint Mary's sponsored event. This includes hugging, holding hands, kissing, and any other form of romantic behavior among students. Saint Mary's believes that young men and women should develop friendships that are noble and supportive of their overall moral and intellectual growth. Social events sponsored by the school should not be viewed as the promotion of romantic relationships between our young men and young women, which can take up an enormous amount of the consciousness of young people. Parents will be notified regarding students engaged in public displays of affection at Saint Mary's.

Publication Distribution and Posting of Signs

Students may not post signs or hand out flyers, invitations, or other documents without the approval of the school's administration.

Retaliation

Students are also prohibited from posting any materials on the Internet and from sending information via electronic transmission that is associated or linked to Saint Mary's, her students, faculty, or staff without prior written consent from the school's administration. This may include but is not limited to pictures and videos of Saint Mary's students, teachers or officials that are taken on campus or at school-sponsored events. Violations of this policy carry appropriate school disciplinary procedures, including withdrawal.

Terroristic Talk

Terroristic talk refers to any speech, communication, or expression by a student that involves threats, intimidation, or references violent acts or terrorism. It involves making statements that may be interpreted as promoting or inciting violence, harm, or fear among students, staff, or the school community at large. This type of talk can cause significant disruptions to the educational environment and raises serious safety concerns.

Examples of terroristic talk include, but are not limited to, threats of violence, (such as expressing intent to harm or kill someone on the school premises or at a school event); bomb threats; mass shooting references, (such as joking or discussing plans related to carrying out a mass shooting at the school); cyber threats; glorifying past violent events; hate speech and/or derogatory harassment; and spreading fear or panic.

Terroristic talk is taken seriously by Saint Mary's as it poses a significant threat to the safety and well-being of students and staff. Students engaging in terroristic talk face severe consequences, including suspension, required withdrawal, involvement of law enforcement, and potential legal action depending on the threat and local laws. It is crucial for students, teachers, and parents to be vigilant and report any instances of terroristic talk to the Saint Mary's Dean of Students or any administrator immediately.

A student shall not take, use, or borrow property belonging to another person without that person's permission. Students are encouraged to leave home unnecessary electronic equipment, money, or other valuable personal belongings. Tobacco use by minors is illegal. A student shall not use or possess any form of tobacco or nicotine products on or off campus. State law ARS 36-798.03 prohibits smoking on school campuses.

Trespassing

Students shall not enter school property outside of school hours unless involved in a supervised school related activity. Should a student or group of students enter the campus and set off the campus alarm system, they will incur the fees involved in police response to that alarm and be subject to disciplinary action.

Violation of Civil or Criminal Statutes

A student shall not violate or attempt to violate a civil or criminal statute while on school property or at a school-sponsored activity. Arizona law requires school officials to contact law enforcement for the following statutes: Serious Crimes and Threats (ARS 15-341); Deadly Weapon Possession (ARS 15-515), Possession of Illegal Drugs (ARS 13-3411), and Child Abuse/Neglect (ARS 13-3620).

Weapons

A student shall not, under any circumstances, bring onto school premises or to any school-sponsored activity a firearm, explosive, knife, or any other weapon. This includes real or fake weapons, such as toy guns, pellet guns, BB guns, airsoft guns, pepper spray, knives of any kind, etc. Violators are subject to required withdrawal and will be referred to the appropriate law enforcement authority.

- Required withdrawal from school

Contacting Parents

The school will contact parents or schedule a conference with them when an issue with their child's academics, attendance, or behavior arises.

Campus Detention

A student who is assigned a campus detention shall serve the detention on the day assigned, usually Tuesdays and Thursdays, 2:55–3:55 p.m. (8th hour).

Detentions may not be missed unless an extreme emergency exists that has been shared with and approved in advance as an acceptable reason by the Dean of Students. Students who fail to report to detention, arrive late, or do not follow directions in detention will receive additional detentions or in-school or out-of-school suspension.

Excessive detentions will result in additional consequences, including placement on a Discipline Improvement Plan or Discipline Contract.

Friday Detention

Students may be assigned a 2-hour Friday detention for more serious or excessive violations. Friday detention will be held from 1:20–3:20 p.m. and may include written assignments, manual labor, or other work assigned by the detention moderator.

Saturday Detention

Students may also be assigned a 3-hour Saturday detention for egregious violations or a pattern of behavior that has not been corrected by lesser consequences. Saturday detentions will be held from 8:00-11am and may include written assignments, manual labor or other work assigned by the detention moderator.

Suspension

Suspension (either in-school or out-of-school) is imposed when a student demonstrates a deliberate disregard for Saint Mary's policies and procedures.

In-School Suspension (ISS) is when a student is required to report to school during normal school hours but does not attend classes and may not attend or participate in any school-sponsored activities until he or she is cleared to return to the classroom. ISS may involve other tasks, such as cleaning the campus. The student must complete all missed schoolwork on an independent basis.

Out-of-School Suspension (OSS) is when a student is required to stay home. He or she may not attend classes or attend or participate in any school-sponsored activities until he or she is allowed to return to school. The student must complete all missed work on an independent basis.

Contract or Probation

Contract or Probation is the supervision and evaluation of the student's conduct for a specific period of time. This may be imposed for serious infractions, or when other actions to change behavior have not been successful, and may include, but is

not limited to, some or all of the following: loss of co-curricular activity privileges, community service hours, and outside counseling.

Withdrawal (Voluntary or Required)

Ordinarily, a parent will be given the opportunity to withdraw the student from school voluntarily. If a parent refuses to withdraw the student and the serious nature of the behavior warrants it, the student will be dismissed from school. Students who are required to withdraw or are dismissed from Saint Mary's for disciplinary reasons are not permitted to attend Saint Mary's school-sponsored activities.

Appeal Process

If the principal requires that a student withdraw from the school, the student (if 18 years or older), or the parent or legal guardian of the student, may appeal the principal's decision to the superintendent of schools after meeting with the school's principal about the decision to withdraw.

There shall be no right of appeal for a student, parent or legal guardian if the principal takes some disciplinary action toward a student other than the required withdrawal from the school. There shall be no right of appeal, for example, for the suspension of a student or for detention. (See the complete policy for the appeal process in the **Grievance and Appeal Process** section of this handbook).

SEARCH AND SEIZURE

Saint Mary's Catholic High School administration may, without a search warrant, search a student, or his or her personal possessions, based on reasonable suspicion. Reasonable suspicion means that an administrator has grounds to believe that the search may result in evidence of a violation of a diocesan or school policy or procedure, or a law. Personal possessions include but are not limited to purses, backpacks, book bags, cell phones, packages, clothing, and vehicles. The administration reserves the right to seize any item deemed inappropriate. As determined by the administration, such items may be retained by the school or turned over to the diocese, law enforcement agencies, or the student's parents or guardians.

REASONABLE CONTACT

The school administration is committed to maintaining a safe environment for all students and staff. In order to maintain the good order, safety and the welfare of the school community, situations may arise in which school administration or staff may restrain, redirect, escort, or otherwise use such physical contact as is reasonable and appropriate under the circumstances to prevent a student from doing, or continuing to do, any of the following:

- Committing a criminal offense
- Causing personal injury or damage to the property of any person (including himself or herself)
- Significantly disrupting the maintenance of good order and discipline at the school or any school function, despite receiving reasonable instruction to cease such behavior

UNIFORM AND DRESS CODE

The Saint Mary's school uniform identifies those who wear it as members of a Catholic community committed to virtue and excellence. The uniform supports and promotes a unity of purpose, and the reality of being a member of something larger than oneself.

We want our students to dress their best, and look their best, so that they will be their best. In addition, Saint Mary's Catholic High School establishes a uniform for the following reasons:

- To instill modesty, good grooming habits, and neatness in appearance.
- To maintain a proper academic environment within the school community.
- To reduce superficial competitiveness in dress among students so as to reflect and support the dignity of the individual.

Students are to arrive and leave school in proper uniform throughout the school year, from the first day of school orientation to the last final exam on the last day of school. Students not in proper uniform will not be admitted to class.

The governing principles of the uniform and dress code are modesty and order. Modesty, which protects the dignity of the human person, applies equally to men and to women. Order, the correct arrangement of something, directs that the uniform and other clothing should be worn as is proper.

Each student's dress and personal appearance should be such as not to disrupt or distract the educational environment of the school. Each student's clothing must fit appropriately as determined by school administration. Clothing may not be too tight, too

baggy, too revealing, too short, too long, or hang too low. Saint Mary's reserves the right to insist that the dress and grooming of students are within the limits of generally accepted good taste, in school as well as at all school-sponsored events. Students are required to wear their uniform on semester and final exam days and also during summer school. If there is doubt as to the appropriateness of some attire, it should not be worn until it has been approved by an administrator.

Special Dress Code Guidelines

Physical Education

Saint Mary's Catholic High School has a specified dress code for all physical education classes, consisting of the school athletic shorts or sweatpants and t-shirts. These items (shorts, sweatpants, and t-shirts) must be purchased from the Saint Mary's Spirit Shop located on campus. All PE and weightlifting students are given an assigned locker with a built-in combination lock. Students are required to keep their belongings and valuables in the assigned lockers and to keep the lockers locked at all times.

Spirit Shirts

Pep assembly days may be designated as spirit shirt days. With administrative approval, students may wear a Saint Mary's green, white, black, or gray athletic team or spirit shirt. Gold spirit shirts may be worn only when announced in advance. Tank tops are not allowed. Shirts must always be tucked in, clean, and presentable.

Special Attire for Clubs and Sports Teams

Varsity athletic teams and other co-curricular organizations may receive permission to wear special attire on designated days, as determined by the Dean's Office and Athletic Director.

Appropriate Attire at School Functions and Activities

Saint Mary's Catholic High School reserves the right to insist that the dress and grooming of students (and their guests) are within the limits of modesty and good taste in school as well as at school events.

Modesty

Modesty is an integral part of chastity, and purity requires modesty. *"Modesty protects the intimate center of the person. It means refusing to unveil what should remain hidden... Modesty protects the mystery of persons and their love... Modesty is decency. It inspires one's choice of clothing. It keeps silence or reserve where there is evident risk of unhealthy curiosity. It is discreet"* (Catechism of the Catholic Church, #2521-2522).

There is no chastity without modesty. Because of the important role modest dress and behavior plays in protecting the dignity of the human person, students are required to dress modestly at all times, whether on campus or at any Saint Mary's event.

At any Saint Mary's event, skirts or dresses must be worn to the knee or longer. Low cut shirts and transparent or excessively tight clothing are prohibited to men and women. Students who are dressed inappropriately will be sent home.

The modesty guidelines are to guide all dress code situations, including school functions and events both on and off campus:

Women are to observe the following: No strapless, spaghetti-strap, off-the-shoulder shirts, or shirts that expose the

midriff, cleavage, or back are permitted; No tight or short clothing. Shorts and skirt lengths must be to at least the extended fingertips. Leggings, jeggings (or other form-fitting pants), ripped shorts, pants, and jeans are not permitted. Body piercings and exposed tattoos are not permitted.

Male students are to observe the following: No excessively baggy or tight pants. No hats during indoor events, or at inappropriate times during outdoor events (prayer, Pledge of Allegiance, National Anthem, etc.) Shirts must be worn. No shirts with extremely open sides or shirts that display inappropriate writing. Ripped shorts, pants, and jeans are not permitted. No earrings on or off-campus, no body piercings, or exposed tattoos.

***Note:** Other clothing or accessory items that the school determines to be not in good taste will not be allowed.*

Formal and Semi-formal Events

There are specific formal and semi-formal dress codes for special events, including end of the year ceremonies, graduation, concerts, art shows, and dances. Specific guidelines will be issued for each, but, in general, the following guidelines will apply:

For women: skirts and dresses with hems that reach the knee; bare midriffs are not acceptable. Strapless, spaghetti-strap, off-the-shoulder, or tank tops are not permitted. No tight or form fitting clothing. Women must wear dress shoes. No flip flops, or dyed hair.

For men: Dress pants, a collared dress shirt, a tie, dark socks, and dress shoes are required. Hair should be trimmed appropriately, and men should be clean shaven. No dyed hair or hats.

Dances

Ticket purchase and attendance for Homecoming and Prom dances will require students and parents to agree to and sign a dance contract. This contract will outline specific guidelines for the dance, including our semi-formal and formal dress code.

Dances at Saint Mary's Catholic High School are for the benefit of Saint Mary's students. If a student wishes to bring a guest who does not attend Saint Mary's, a guest pass must be obtained before the dance.

***Note:** Other clothing or accessory items that the Administration determines not to be "in good taste" will not be allowed.*

FINANCIAL MATTERS

Tuition Rates

Full Tuition Rate

The full tuition rate applies to families that are not registered, active, and participating members of a Catholic parish in the Diocese of Phoenix.

Reduced Tuition Rate for Practicing Catholics

Families who are registered, active, and participating members of their parish in the Diocese of Phoenix are eligible for a reduced tuition rate. The reduced rate becomes effective when the Parish Verification Form is signed by the pastor, or his designee, and is submitted to Saint Mary's Catholic High School by the school's provided deadline. Forms received after the deadline result in a full tuition rate charge. The reduced tuition rate is not retroactive. Criteria used in determining active and participating membership may vary by parish.

Transfer students will have 30 days from the date of registration to submit a signed and sealed Parish Verification Form to qualify for the reduced tuition rate.

A non-refundable deposit of \$325 is due at the time of registration. Students may not schedule or receive course schedules until registered. Registration is not complete until all required forms are submitted and the \$325 deposit is paid.

FULL TUITION RATE	REDUCED TUITION RATE
\$17,500	\$13,500
\$100 Fundraising requirement	
20 Volunteer hours (\$200 equivalent)	

Additional Costs and Fees

Families will be responsible for any additional costs not included in the tuition. These items may include the following as applicable:

- Uniform costs (\$150 on average)
- Parking fee (\$75 individual or \$50 carpool)
- Graduation fee (\$250 seniors only)

- Replacement costs of textbooks lost or returned in unusable condition
- Athletic participation fee (\$200 per sport/per season)

Payment Options

Tuition payments will be billed monthly and begin August 2023. Ten (10) monthly payments will be billed for the 2023–2024 school year. Payments must be made by automatic deduction from a bank account or credit card. Credit card payments will incur a three (3) percent processing fee per transaction.

Financial Aid

It is the policy of Saint Mary's Catholic High School to attempt to provide a Catholic education to all students regardless of financial limitations. In order to offer more students an opportunity to attend Saint Mary's, and in justice to all who sacrifice their time and money supporting the school, Saint Mary's uses well-established guidelines to determine the disbursement of financial aid.

Families who anticipate a need for financial assistance must complete and submit the Financial Aid Independent Review Form (F.A.I.R.) online at www.fairapp.com on a yearly basis every spring. F.A.I.R. requires an application processing fee of \$29.

F.A.I.R. verifies financial need and submits its findings to Catholic Education Arizona (CEA). Saint Mary's receives financial aid awards from CEA in the summer and early fall. Families must continue any scheduled payments until the F.A.I.R. eligibility is determined, unless prior arrangements have been made with the school's Business Office.

Note: If a F.A.I.R. form is returned showing the family is able to pay its full tuition amount, the original Tuition Payment Agreement Form stays in place, unless the family makes other arrangements with the Business Office.

Financial aid is not guaranteed, and it is the responsibility of the family to apply for financial assistance to the tuition-assistance awarding organizations that collaborate with Saint Mary's. Families are responsible for fulfilling their school financial obligations if a deficit in financial aid occurs.

The school mails Tuition Contract Agreements in July. If a family has been awarded the parish discount and/or financial aid, the Tuition Contract Agreement reflects it. All families must sign and return this agreement in order for the student to pick up his or her schedule and textbooks each year. Families need to follow the Tuition Contract Agreement to avoid Financial Delinquency (see **Financial Delinquency** below).

Fundraising

Financially, Saint Mary's Catholic High School depends not only on tuition and grants to meet ever rising instructional and operating costs, but also must look to fundraising, and to those in a position to pledge their annual state tax credit to Catholic Education Arizona in the name of Saint Mary's Catholic High School. Tax credit donations of at least \$200 will satisfy the fundraising obligation. Saint Mary's has established other fundraising opportunities for families to raise the mandatory \$100, per student, for the school. These opportunities are through our SCRIP program available throughout the school year. This \$100 must be raised by April 30. If a family does not meet the \$100 requirement, the Business Office bills the family for the remaining amount. This payment must be made on a timely basis to avoid financial delinquency (see **Financial Delinquency** below). These direct and indirect sources of funding help us meet the cost of educating our students.

Late Registration and Early Withdrawal

If a student registers after school begins, the tuition is pro-rated over the number of days a student is enrolled for that particular month. If a student withdraws prior to the start of school, all tuition paid in advance is refunded minus the \$300 non-refundable deposit. A student who withdraws after school has begun is responsible for the month's tuition if he or she attends even one school day during the month.

Financial Delinquency

When any fees, fines, tuition payments, or any other costs are past due to Saint Mary's Catholic High School, there is a financial delinquency. In the event of a student's financial delinquency:

- The student will not be permitted to take end-of-semester examinations and will receive "Incompletes" in all of his or her classes until all financial obligations have been met.
- The student will not be permitted to register at the same school or at another Catholic school within the Diocese of Phoenix until all financial obligations have been met.
- The student will not be allowed to participate in any school-sponsored sports programs or any other school sponsored activities.
- Families who miss any payment, due to insufficient funds, will be charged a \$30 missed payment fee. After being informed of the missed tuition payment, the payment will be re-attempted on the next available payment date. If an emergency has occurred,

suitable arrangements must be made with the school financial administrator at least five business days before a scheduled payment date.

- Families who have missed two monthly payments and have not made suitable arrangements within fourteen (14) calendar days of the second missed payment will be informed that their child or children will not be allowed to attend school.

GRIEVANCE AND APPEAL PROCESS

Any grievance, issue, or concern within the Saint Mary's Catholic High School community should be resolved by first communicating with the person with whom the grievance, issue, or concern exists. An understanding must exist that it is possible that confidentiality surrounding both the name of the person sharing the grievance, issue, or concern and the information pertaining to the actual grievance, issue, or concern may not occur. Staff members reserve the right to share both the name and the information with the person(s) involved in the grievance, issue, or concern.

If the grievance, issue, or concern cannot be resolved to the satisfaction of the people involved, the grievance, issue, or concern can be brought to the attention of the immediate supervisor in that area. This step may be repeated until the immediate supervisor is the principal.

Any grievance, issue, or concern brought to the attention of the principal shall be submitted in writing along with proposed ideas to solve the grievance, issue, or concern.

If the principal requires that a student withdraw from a school, the student (if 18 years or older), or the parent or legal guardian of the student may appeal the principal's decision to the superintendent of schools after meeting with the school's principal about the decision to withdraw.

There shall be no right of appeal for a student, parent, or legal guardian if a principal takes some disciplinary action toward a student other than the required withdrawal from the school. There shall be no right of appeal, for example, for the suspension of a student or for detention.

Appeal Steps:

When a parent, employee, or student (if 18 years or older) wishes to appeal a principal's decision, the person must submit the appeal in writing to the superintendent of schools (in the case of a diocesan school). The written appeal must contain the following information:

- The subject of the appeal.
- Any factual data relevant to the appeal.
- Cite the specific policy(ies) alleged to have been violated.
- The efforts that have been made to resolve the issue.
- Date(s) of meeting with school principal regarding the decision.

The principal's decision must be appealed within 10 working days of the communication of that decision to the aggrieved party. It shall be within the sole discretion of the superintendent of schools to determine whether to review the decision.

The superintendent of schools may, in his sole discretion, designate another person to hear the appeal and to render a decision on the superintendent of school's behalf. The superintendent of schools (or his designee) will review the situation to determine whether the school's actions were consistent with their policies and procedures. The final decision will be based on these findings.

- The decision of the superintendent of schools, or designee shall be final and binding upon the parties and shall conclude the appeal process.
- There shall be no further right of appeal.

Notwithstanding anything in these policies to the contrary, the principal of a school has the authority to make decisions and impose consequences that are in the best interest of the school and community it serves.

SCHOOL PARENT ORGANIZATIONS

Advisory Board

The Saint Mary's Catholic High School Advisory Board meets quarterly with the president-rector and principal of Saint Mary's in an advisory capacity. This board meets at the Saint Mary's school library or via internet.

Parent Service Organization

Saint Mary's Parent Service Organization provides a way for parents to support the school and build community by contributing their time, effort, and presence to various school events and activities. In addition, current Saint Mary's families help new families connect with the school's many longstanding traditions and foster the family spirit that enlivens the extended Saint Mary's community.

Athletic Booster Clubs

Saint Mary's parents work closely with the Athletic Director to support school athletic teams. Parent volunteers are vital to the success of the athletic and co-curricular programs at Saint Mary's.

SCHOOL RECORDS

Access to Student Records

Parents have the right to inspect and review the official transcript of their child to ensure accuracy of its content. No personal information concerning a student will be given to any person unless the person is the parent or authorized guardian.

Parental requests should be made in writing and the school has 45 days to respond and provide access.

Birth Certificate

Saint Mary's requires that all students have a copy of their birth certificate on file in their cumulative folder.

Immunizations Records

Saint Mary's requires that all students have a copy of their up-to-date immunization records on file in their cumulative folder.

Transcripts

When a student transfers to another school, a copy of the student's official record (transcript) shall be sent as requested from one educational institution to another. Only semester grades appear on a student's transcript. A copy of an unofficial transcript may be provided to a parent, guardian, or student upon request. No student disciplinary records are sent with transcripts.

RESPONSIBILITY FOR PERSONAL BELONGINGS

All schoolbooks, equipment, or clothing items checked out to a student that are lost or stolen are the responsibility of the student and his or her parent or guardian and must be replaced or purchased at the current replacement cost. The Saint Mary's High Catholic School staff strongly encourages students not to bring any expensive personal items or large amounts of money to school.

We encourage students to write their names in their books and on their personal property. The school and its staff members are not responsible for personal items (textbooks, personal items, clothing, electronic devices, or money) or school items (books, equipment, or clothing) that are lost or stolen on campus or at school sponsored activities.

TRANSPORTATION AND PARKING

Student Drop-Off and Pick-Up

Parents must follow the school's traffic flow pattern, distributed at the beginning of the school year and on our school website. The designated areas for student drop-off or pick-up are:

Entering from 7th Street: the turn-around on Saint Mary's Way (formerly Sheridan Street)

Entering from 3rd Street: the student parking lot in front of Piper Hall

Note: Do not drop-off or pick-up students in the faculty parking lot, the staff parking lot on 3rd Street, or the Virginia Plaza parking lot north of the school campus.

Student Parking

Students who drive to school must park in the student parking lot and display a parking permit. Parking permit applications may be obtained in the Front Office. Yearly parking permits are \$75 for individual student permits and \$50 for carpool permits.

Citations, detentions, and revoked parking privileges may be the consequences for violating the following driving and parking policies and procedures:

- Once parked, students must exit their vehicles and proceed to campus; loitering in cars or in the parking lot is not permitted.
- Students may not go to their vehicles during school hours unless authorized by the Front Office.
- For the safety of students, a 5-mph speed limit will be strictly enforced. Reckless driving is prohibited.
- Only students with carpool permits are allowed to park in the designated carpool spaces.
- Students driving to school must have a permit attached to their vehicles at all times. Parking permits must be displayed from the

- rear-view mirror with the number facing forward. Transfer of permits between students or to any other vehicle is prohibited.
- Vehicles without permits will be issued a \$10 citation per violation. Citation fines are due within one week.
- Temporary permits will be issued if other than the registered vehicle must be used for a short-term emergency situation. This permit is requested from the Front Office and must be on the vehicle before the start of the school day.
- Tags, bumper stickers, signs, or flags that suggest profanity, advertise or endorse tobacco or drugs, or are inflammatory or degrade another person for any reason are prohibited.
- Any and all accidents and thefts must be reported promptly to the security officer or Front Office.
- Vehicles may be searched if the administration has a reasonable suspicion that a school violation exists.

USE OF STREETS AND PUBLIC TRANSIT

For safety reasons, Saint Mary's students coming and leaving campus must use the pedestrian crosswalks, especially on Saint Mary's Way (Sheridan), 3rd Street, 7th Street, and Central Avenue. Jaywalking is both illegal and dangerous and could result in a citation or disciplinary consequence.

Students taking the bus to or from school are expected to behave appropriately on the bus and at bus stops. Students leaving the campus on foot must also be sure to have appropriate good citizen behavior for our neighbors (residential or business). Saint Mary's takes seriously reports of student littering, disrespectful conduct, trespassing, and any other conduct that would injure the reputation of the school.

Visitors who are not parents or guardians are not allowed to visit students on campus during school hours (7:30 a.m.–3 p.m.) for any reason.

WELLNESS POLICY

The link between nutrition and learning is well documented. Healthy eating patterns are essential for students to achieve their full academic potential, physical and mental growth, and lifelong health and well-being.

Saint Mary's Wellness Policy is aimed at promoting and protecting students' health, well-being, and their ability to learn through the promotion of healthy eating and physical activities. Parents and other guests are asked to refrain from bringing unhealthy food to students at school. Saint Mary's also encourages its clubs and organizations to offer non-food items or healthy food choices when conducting fundraising activities.

Saint Mary's Wellness Policy includes the following components:

Nutritional Guidelines

- Food service (tasty and nutritional daily food choices)
- Staff (professional, trained, qualified staff)
- Pleasant eating experiences (25-30 minutes provided, choice of indoor or outdoor eating)

Nutrition Education through the school's science, health, and physical education curriculum

Physical Activity

- Physical education (required for all freshmen; available as an elective for grades 11–12)
- Physical activity (sports, games, activities provided to meet the needs of all students, not just athletes)

Other School-Based Activities

- Foods of minimal nutritional value are not served during the school day, with a few special-occasion exceptions.

Parent and Staff Involvement

- The Cafeteria posts its menu on the school's website and staff is educated to sponsor fund-raisers that do not involve the selling of unhealthy foods.

Implementation and Evaluation

- The Wellness Committee meets throughout the year and the administration is involved in the policy's implementation and evaluation.

DIOCESE OF PHOENIX CODE OF CONDUCT

- Maintain the appropriate boundaries for adult-child relationships in the classroom and school, religious education program, youth ministry program, and parish.

LEGAL NOTIFICATION REGARDING ASBESTOS

Dear Parents,

This informational letter comes to you at the direction of the United States Environmental Protection Agency ("EPA"). The Agency requires all schools to inspect their buildings and facilities and to identify, sample, and analyze all friable and non-friable building materials that may contain asbestos. Friable materials are defined as those that can be easily crumbled by hand. The Asbestos in Schools Rule and the Asbestos Hazard Emergency Response Act regulation further require that all parents, teachers, and employees of schools where asbestos is found be notified. This requirement is part of an inspection and management plan that is on file at our school.

The Asbestos Office of the Diocese of Phoenix has conducted an inspection of our entire school facility. Any friable asbestos containing material that has been found to be damaged has been repaired or removed in accordance with the Rules and Regulations of the United States Environmental Protection Agency. The non-friable asbestos containing material will be maintained as it is and be re-inspected visually every six months for any physical damage until it eventually is removed.

Repair or removal is done by contractors experienced and certified in this type of work. After repair or removal, an extensive survey is completed to ensure that all the school areas are safe and free of asbestos fibers.
